RENTING-PRICING

All charges are for time out, whether used or not. Please choose carefully. Weekly and monthly rates available.

RESERVATIONS

A phone call will hold your rental order (except linens) or stop by and place your order.

DELIVERY & PICK-UP

To help keep our delivery prices low and so there are no additional charges to you, please have equipment ready when our driver arrives. Extra labor charges will be assessed for delivery up stairs, into backyards, or when extra time is involved in the delivery. Equipment is to be repacked in boxes, free from food and liquid, and placed under cover (garage, porch, patio, etc). Please do not allow equipment to get wet, as it gets destroyed. Linen must be dry and mildew free. Please do not try to wash out stains, we have special chemicals to remove them.

SET UP & TAKE DOWN

Set up and take down is not included with delivery prices. If you wish, we will be happy to set up your equipment at an additional charge. Arrangements must be made in advance.

LOSS OR DAMAGE

Responsibility for the rented equipment remains with the lessor from time of receiving equipment until return of equipment. Please be sure equipment is secure and protected from the weather.

LINEN POLICY

Any cancellations or changes must be made five (5) days prior to scheduled pick-up or delivery date. Customer will be responsible for the full rental price on any cancellations or changes made after the specified date.

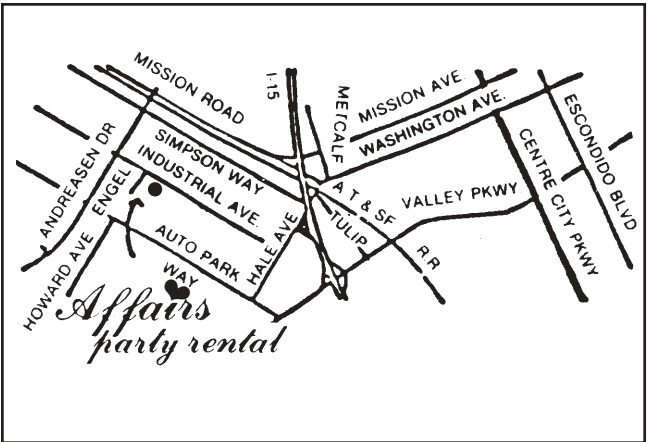

ADDITIONAL CHARGES

Additional charges will be made for loss, damage or mysterious disappearance on all rental items. Cleaning charges will be made for rental items returned dirty.
